

*The South Florida Water Management District invites you to attend
a Dedication Ceremony and Open House for the...*

St. Cloud Field Station

The St. Cloud Field Station is strategically located near the flood control infrastructure of the Kissimmee Chain of Lakes. Improvements in technology and equipment at the St. Cloud Field Station will consolidate Kissimmee operations and enhance the South Florida Water Management District's ability to provide flood protection to the communities of Orange, Osceola and Polk counties.

Where:

**3800 Old Canoe Creek Road
(formerly Kissimmee Park Road)
St. Cloud, Florida 34769**

When:

Wednesday, April 8, 2009

Time:

11:00 a.m.

Lunch available for purchase following the ceremony.

Driving Directions:

From the North: Take the Florida Turnpike exit 244 at U.S. Highway 192. Turn left onto U.S. 192 (eastbound toward St. Cloud). Travel 3.1 miles to Old Canoe Creek Road. Travel past Wal-Mart on your left, look for a Publix on the right. The traffic light next to Publix is at Old Canoe Creek Road. Turn right on Old Canoe Creek Road. Travel 1.3 miles to the St. Cloud Field Station entrance on the right side of the road.

From the South: Take the Florida Turnpike exit 242 at U.S. Highway 192. Turn right onto U.S. 192 (eastbound toward St. Cloud). Travel 1.2 miles to Old Canoe Creek Road. Travel past Wal-Mart on your left, look for a Publix on the right. The traffic light next to Publix is at Old Canoe Creek Road. Turn right on Old Canoe Creek Road. Travel 1.3 miles to the St. Cloud Field Station entrance on the right side of the road.
